ATTRACTIONS AND POINTS OF INTEREST

The Famous River Walk  Millions of people visit the River Walk each year to enjoy this unusual urban sanctuary that winds along the San Antonio River in central San Antonio, one story below the bustling street level. Restaurants, galleries and shops line the banks of the downtown River Walk while the north and south banks of the River are less commercial. The lush landscapes, quaint pathways, tinkling waterfalls, quiet pools, outdoor art and relaxing outdoor patios evoke the renowned public spaces of Europe.

The Historic Alamo  On the east side of Alamo Plaza is the most famous spot in Texas where 189 defenders fell on March 6, 1836, after repeated attacks by Mexican General Santa Anna’s army. Mission San Antonio de Valero (the Alamo) was established in 1718 as the city’s first mission. The chapel, one of the most photographed facades in the nation, and the Long Barracks are all that remain of the original fort. The Long Barracks Museum and Library is located near the chapel. The museum contains relics and mementos from the Republic of Texas and offers a narration on the fall of the Alamo. The Alamo is located in the heart of the city, inside beautifully landscaped grounds.

The New Museum Reach  Adding 1.3 miles to the famous River Walk, the new Museum Reach which opened in May 2009 doubled the iconic walkway along the San Antonio River. The new Museum Reach connects the existing River Walk to the San Antonio Museum of Art and the 125-year-old Pearl Brewery, a vibrant urban village. New public art installations, by local, national and international artists line the banks. A lock and dam system, the only one in Texas, overcomes a 9-ft. rise in elevation. Take a river taxi and navigate right through the lock and dam.

The TPC San Antonio  Otherwise known as the Tournament Players Clubs, this is the highest standard in golf course design. TPC San Antonio boasts two PGA TOUR courses, which opened in 2010 at the JW Marriott San Antonio Hill Country Resort & Spa. Situated on 2,800 rolling acres at the base of the beautiful Texas Hill Country, both the AT&T Canyons Course by Pete Dye and AT&T Oaks Course by Greg Norman were built with the infrastructure to be host venues for PGA TOUR tournaments.
